Presented by: Evelyn K. Rice of Rice & Associates, Inc.

Saturday, April 28th
10:00am – 6:00pm
and

Sunday, April 29th
9:00am - 6:00pm

Comfort Suites
7619 Thorndike Road
Greensboro, NC

(From I-40, Exit 210 onto 68 South.. Take a right on Thorndike Road.)

This two day workshop provides participants with a unique look at what it takes to attract, create and maintain a soul mate relationship in today's world. It will also provide an awareness of the foundational principles and skills necessary to have balance in a relationship. You will learn how to attain happiness and self responsibility while achieving your life and relationship goals.

Specifically you will...

- ← Understand the psychology of why we are attracted to certain people
- ← Learn how to turn an existing relationship into a soul mate relationship
- ← Learn three communication skills to increase intimacy
- ← Identify factors that have contributed to repeating harmful patterns in your life
- ← Acquire an understanding of PEA (the attraction chemical) which can confuse people in the area of “*is this love or not?*”
- ← Learn constructive and healthy methods for resolving conflict and expressing anger
- ← Define the qualities of your *perfect* soul mate relationship
- ← Learn how childhood wounds affect your choice of partners
- ← Identify the four phases of relationships
- ← Learn how your relationship or potential relationship can be a source of emotional and spiritual healing
- ← Recognize how programming from our past creates dynamics, positive or negative, in our relationships and how to break out of challenging patterns
